

2360 Camo Coverall

Premium Painting Protection

ELASTIC HOOD EDGE

Hood bounded with elastic for a secure yet comfortable fit.

VENTILATION MESH

Breathable mesh inserts at the back, hood and underarms enhance air circulation and comfort.

OVERSPRAY PROTECTION

Zipper with protective flap for reliable shielding against paint mist.

ANKLE AND WRIST NYLON CUFFS

Durable nylon cuffs at ankles and wrists prevent lint and dust intrusion.

5 PRACTICAL POCKETS

Two back pockets with flaps, two side pockets with additional pass-through openings for easy access underneath, and one chest pocket with flap for secure storage.

2360 Camo Coverall

Premium Painting Protection

Description:

The coverall combines protection, comfort, and a modern look. Made from 98% polyester and 2% carbon fibers, it offers excellent durability and antistatic performance. With five practical pockets, a zipper with overspray protection and ventilation mesh zones it provides functionality and optimal airflow during any project. The elastic hood and nylon cuffs ensure a secure fit while preventing dust and lint intrusion.
