9905 Orbital Sander

Electric Brushless Sander, 150 mm

Description:

Professional random orbital sander designed for efficient and smooth sanding. Combining powerful performance, precise control and effective dust extraction, it ensures consistent results.

Features:

- / 380W power motor
- / 5 mm random orbital action
- / Low vibration system
- / 5 m cable
- / Variable speed control (4.000–10.000 RPM)
- / Efficient dust extraction system
- / 150 mm multi-hole backing pad (6")
